Please join us for the first installment of our monthly Venture Law Meetup – Donuts and Coffee Series.

Taking place on the first Friday of each month, this series aims to equip executive officers and founders of new startups with the knowledge and tools needed to navigate the various aspects of launching and growing a new venture. This hour-long presentation and discussion event is complimentary and includes a sampling of Cleveland’s finest donuts and fresh brewed coffee.

This month’s topic is “Corporate Basics for Startups,” which provides an overview of the initial considerations entrepreneurs should be aware of as they take a concept and shape it into a new business. Squire Patton Boggs attorneys Leah Brownlee and Seth Osnowitz will present and lead discussions on the topic.

## Follow-up Webinar

For those who are unable to attend the live event on September 7, we will have a live webinar broadcast of the information on Monday, September 10 from 6 to 7 p.m. EDT. To register, please use the “Register for Webinar” button above. Complete connection details will be included in the confirmation.
